

Town of Peace River Recycling Guide

Curbside Collection

What can go in your curbside recycling?

Metal

Tin cans, beverage cans, food containers.

Paper

Magazines, newspapers, phone books, and scrap paper.

Cardboard

Box board (packaging used for cereal boxes, food packaging) and corrugated cardboard

Plastics

Plastic containers, numbers 1 through 7, and plastic film (grocery bags, plastic bags).

What cannot go in your curbside recycling?

- Diapers
- Garbage
- Organic Waste
- Yard waste
- Glass (take it to the Eco Centre or Bottle Depot)
- Electronic waste (take it to the Eco Centre)
- Styrofoam (take it to the Eco Centre)

When in doubt, leave it out!

Peace Regional Eco Centre

Everything that is collected at the curb can also be dropped off at the Peace Regional Eco Centre. Additionally you can also recycle the following things there:

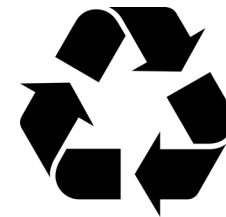

- Glass
- Electronic waste
- Styrofoam

The Eco Centre is located at 7821 – 104 Ave. on the west hill in Peace River.

Important!

Please wash your recyclables completely, whether using curbside pickup or dropping them off at the Eco Centre, please wash your recyclables.

Unwashed recycling is a major issue that causes contamination when it is being sorted after collection. Dirty recycling is also a health hazard for the workers who do the sorting. Leftover food can lead to infection or illness.
