

# Town of Peace River – Neighborhood Infrastructure Renewal South of Heart River

## ATTENTION OWNERS

**As you may be aware, Ruel Bros. Contracting is planning to start construction in your area May 29, 2019 to November 15, 2019.**

**This work will include road structure construction, concrete installation, road surfacing, drainage improvements, as well as water & sewer infrastructure rehabilitation. Property owners should be aware that this work may have major impacts on access to properties and access routes. Repairs of any impacted private features will be scheduled to begin once roadway construction is complete. These improvements are required by the Town of Peace River to benefit the community.**

### Please Note

There may be restricted/limited access to your property for periods during these improvements, and garbage pickup will take place in a single bin at the intersection of 107<sup>th</sup> ave and 101<sup>st</sup> street. Work areas will be signed before work is to begin.

Please use alternative accesses or park outside the construction zones. Please ensure that you move any vehicles or larger items you wish to have access to during this time from your driveway prior to commencement of this work.

If you have special accessibility needs such as wheelchair or other requirements, please contact the site representative.

The Town of Peace River and Ruel Bros. Contracting apologize for any inconvenience this may cause. Every effort will be made to complete this project in a timely manner. Your understanding and cooperation for the duration of the project is greatly appreciated. You will be advised again of activities and areas affected by construction operations.

### Impacted Areas:

The following areas will be impacted under this project:

- 99<sup>th</sup> Street: May 29 – Sept 7
- 105<sup>th</sup> Ave Phase 1: May 29 – Sept 10
