

## SPRING CLEANUP MAY 17 & 18, 2022

We are pleased to announce this year's Spring Cleanup will be done through curbside pickup.

Items for pickup must be out by 7:00 a.m. on your regular garbage collection day and during the week GFL will be hauling items away. You are allowed to put out two large items along with other items contained within a 2-meter x 4-meter area on your yard, or portion of your property that is easily accessible from the road.

**Acceptable** items for collection include:

- Stoves, washers and dryers;
- Fridges, freezers, and air conditioners \*must be tagged *free of refrigerants* by an approved technician → contact a local HVAC company
- Furniture, mattresses and box springs;
- Sinks and toilets;
- Barbeques \*without tanks;
- Lawnmowers \*all fluids must be drained
- Wheelbarrows;
- Rain barrels;
- Snowblowers \*all fluids must be drained;
- Lawn furniture;
- Tree trimmings \*cut down to 2-meter lengths and bundled with twine; and
- Leaves and grass \*must be in clear bags.

**Non-acceptable** items for collection include:

- Televisions;
- Stereos;
- Computers (monitors, towers, keyboards, speakers, mice);
- Desktop printers;
- Car parts;
- Snowmobiles;
- Assembled swing sets;
- Tires;
- Propane tanks;
- Items larger than 2 meters in length; and
- Items weighing more than 200 lbs.

Special Notes:

- This service is for residential customers only.
- Tag items (basketball and hockey nets, lawnmowers, wheelbarrows, rain barrels, bicycles, etc.) to help identify them as being out for collection.
- All items must be less than 2 meters and weigh less than 200 lbs.
- Limit of two large items per household.
- All items must be contained within a 2-meter x 4-meter area on your yard, or portion of your property that is easily accessible from the road.
- Please place items on the same side of the property (front or back alley) where the garbage is normally collected.
- Be mindful of the 1-meter clearance on all sides of the garbage bin when selecting an area for the curbside pickup items.
- Different trucks collect different items and where possible, items are sent to be recycled.
- Various electronics can be taken to the ECO Centre.
