Baytex Energy Centre Drop-in Programs

May 1 - July 3

Macmillan Construction Indoor Playground

Overlooking our ice surface the Indoor Playground offers a safe and fun place for the whole community. A place to escape those cold winter days and to keep the kids playing all year-round.

Ice-surface/Dry pad

The NHL sized ice surface will hold a spacious 800 seating capacity and offer individuals a fantastic view of the ice from every spot. In the summer months the space becomes a smooth cement surface available for rent.

Canadian Natural Field House

Our field house offers 3 sections, each the size of a gymnasium which can be booked individually. Each area can be used as a volleyball court, basketball court, or 3 pickleball/badminton courts. All 3 sections together create a full size youth soccer pitch. The area also features spectator viewing located on our second floor.

Indoor Track

Our 3-lane track is open daily and can be used as a single drop-in, or with a punch pass or monthly membership. Punch Passes offer a discounted bulk purchase while our Monthly Membership allows you to use the track during our closed reception hours by signing in at the track entrance.

Track direction changes daily!

M/W/F/Sun-Counter Clockwise & T/Th/Sat-Clockwise
Distance based on middle lane
1 lap = 171.5m

Drop-in SPORT Programs

The Baytex Energy Centre is committed to offering recreational drop-in programs to the community.

Our drop-in programs are designed to create an inclusive environment where participants can learn a new skill, be social, be active, share their sport with others and play together regardless of skill level (beginner to advanced welcome).

Recreational drop-in programs are NOT about winning, competitive or aggressive play.

General Information

for all Drop-ins & Track use

- Please sign in & pay drop-in admission prior to beginning program.
- Space is limited; we operate on a first come first serve basis with sign-in 10mins prior to your program starting.
