

PROJECT NO. 221334

**Peace River Town Hall Accessibility
Upgrades
Peace River, Alberta**

ADDENDUM NO. THREE

May 24, 2022

This addendum forms part of the Tender Documents for Peace River Town Hall Accessibility Upgrade project, and modifies them as follows:

1.0 GENERAL INFORMATION (BIDDING & CONTRACT REQUIREMENTS)

1.1 SPECIFICATIONS

.1 No items.

1.2 QUESTIONS AND ANSWERS

.1 Upon review of the site we noticed a vent of some kind in base of a ramp located on the south ramp that is to be removed completely. This is not referenced in the drawings on what it is or what is to be done with this vent. Please provide clarifications for this item.

A: The existing ramp is hollow underneath, the vent is in place to provide air circulation within this cavity. The intent is for the vent to be removed with the ramp.

2.0 ARCHITECTURAL

.1 No items.

Attachment: No items.

END OF ARCHITECTURAL ADDENDUM NO. THREE
