RE: **TOWN OF PEACE RIVER**  
**REQUEST FOR PROPOSAL – NEIGHBOURHOOD RENEWAL PROGRAM 2023**  
**RFP TPR2023005**  
**TENDER ADDENDUM NO. 3**

The following information supplements and/or supersedes the tender documents issued on 10 Mar 2023 and any addenda issued to date. This Addendum forms part of the contract documents and is to be read, interpreted, and coordinated with all other parts. The cost of all contained herein is to be included in the contract sum. The following revisions supersede the information contained in the original drawings and specifications issued for the above-named project to the extent referenced and shall become part thereof.

**1 INFORMATION TO BIDDERS**

- .1 The successful Engineering Consultant will receive a full set of digital CAD drawings and survey data from the current APEGA Licensed Professional (Velocity Group) for the design development with the exception of the standard details, title block information, and any non-pertinent information on the base plan. The successful Engineering Consultant will also have access to the Towns base infrastructure CAD file.
- .2 The information will be provided to the successful Engineering Consultant on the provision that Velocity Group is absolved of any, and all, liability arising from the use of the data provided.
- .3 The successful Engineering Consultant shall be expected to become the APEGA Licensed Professional for the tender, construction administration, and post-construction phases of this project.
- .4 The successful Engineering Consultant after a thorough review as the new APEGA Licensed Professional, shall include in their services and pricing, in addition to those already listed in the RFP, to provide:
  - .1 Authenticated Tender drawings and specifications;
  - .2 Authenticated Issued for Construction drawings and specifications; and
  - .3 As built drawings and Authenticated Record drawings as per the APEGA Professional Practice Bulletin "*Authentication Requirements for As-Built, Record, and As-Acquired Drawings*".
- .5 The survey data to be provided for the successful Engineering Consultant will be in a local coordinate format.
